TASC TO1 WLL Fact Sheet USGS report summary 03-18-15.final.doc

Terrie,

Here is the reviewed and revised document. Hope I didn't distort the word format too badly by backing out the original from pdf.

Hi Brad and Ben,

The WLL CAG technical committee asked us to summarize the USGS groundwater report. Attached is our draft summary. If you will please review it for accuracy, we would appreciate it. We need to give it the final version to the technical committee on March 24.

Thank you.

Terrie
